REFERENCES

In addition to any orders, or other items, and the information provided in the Inspection Notes section in this Inspection Report, the officer may discuss other health and safety issues with the employer arising out of the inspection. The information below sets out the health and safety requirements discussed with the employer, and unless otherwise noted, violations of these requirements were not observed.

Reference	Details Discussed
WCA71(2) The employer must ensure that a report of the preliminary investigation is (a) prepared in accordance with the policies of the board of directors, (b) completed within 48 hours of the occurrence of the incident, (c) provided to the Board on request of the Board, and (d) as soon as practicable after the report is completed, either (i) provided to the joint committee or worker health and safety representative, as applicable, or (ii) if there is no joint committee or worker health and safety representative, posted at the workplace.	 The employer was advised that the preliminary investigation report they have submitted for the incident referenced in this Inspection Report has been accepted.
