INSPECTION NOTES

On December 23, 2024, prevention officer L. Gibbins spoke by phone, to an employer representative (the employer) regarding an incident notification. The *Workers Compensation Act* and the Occupational Health and Safety Regulation were used as a bases for compliance.

The following information was discussed:

I. INCIDENT INFORMATION

The following information is known about this incident:

- date of incident: December 19, 2024,
- a worker was doing pre-checks on a generator,
- the worker turned on the generator, and
- the worker received a shock to their lower leg.

II. PRELIMINARY INVESTIGATION and FULL INVESTIGATION (Employer Incident Investigation Report)

The employer stated they completed a preliminary incident investigation as required in section 71 of the Act.

Further, the employer stated that they will complete a full incident investigation report (EIIR) as required in section 72 of the Act and submit it to WorkSafeBC within 30 days of the incident.

Lastly, the employer stated that corrective actions, determined by the preliminary investigation, are implemented to prevent recurrence of similar incidents.

Refer to Regulation Referenced Section for additional information.

At the time of this inspection no violations of the *Workers Compensation Act* or the Occupational Health and Safety Regulation were cited. This decision relates only to this inspection date and location noted on this inspection report. A follow-up inspection may occur and/or a Notice of Compliance document may be required if order(s) are noted in a future inspection.

III. PLAN

The employer will upload the full incident investigation report (EIIR) into the secured site found in the attached email by January 19, 2025.
